

Dear Parent/Guardian,

We are pleased that your child/teen has applied to join Yarra Libraries via our website at [www.yarracity.vic.gov.au /Library](http://www.yarracity.vic.gov.au/Library). Joining the libraries is free and membership is open to everyone.

Your child/teen will receive a library barcode number via email enabling them to place reservations on library material if they wish. Their card will be available at the branch nominated on their online application within 2 working days (Monday - Friday) of submission.

We need your permission before your child/teen is able to borrow from the library.

There are two ways to do this :

- 1 Visit the library with your child/teen when they pick up their card, bringing proof of current address.
- 2 Complete the bottom of this form, giving your child/teen permission to join the library. Attach a copy of proof of current address. They will need to bring this in when they pick up their card at the library.

Note: examples of acceptable forms of identification are available on our website.

For information regarding the above and borrowing rights and responsibilities please visit the Library Card and Borrowing Information section of our website or contact us on 1300 695 429.

I give my permission for \_\_\_\_\_ to join Yarra Libraries. I accept responsibility for all materials borrowed on my child/teen's card and agree to abide by the policies and local laws of Yarra Libraries
