## Your Hard Rubbish Collection Service is Changing

From April 2008, Council is offering residents a personalised free hard rubbish collection service. This means the annual Yarra-wide hard rubbish collection, which normally happens in March, will not take place this year!

### How the new service will work:

- To get your hard rubbish collected ring Council's Access Yarra Unit on **9205 5555** to make a booking
- Access Yarra staff will provide you with a pick-up date and ask questions about the contents and volume of your hard rubbish
- Access Yarra staff will also talk to you about the best location to place your hard rubbish items
- The night before the pick-up date neatly and safely place your hard rubbish items in the agreed location, ready for collection.

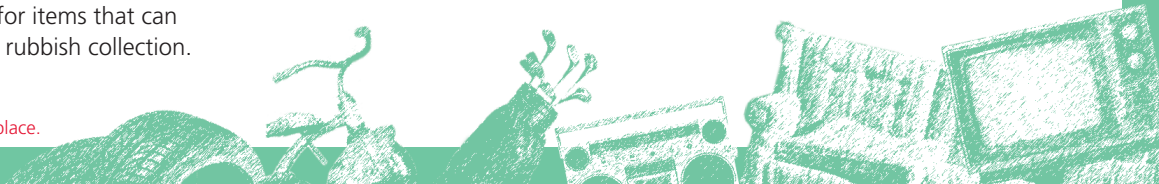

Council is introducing this new service to reduce clutter on local footpaths and to combat dumped rubbish in laneways.

The new service provides residents with **two free hard rubbish collections per year**. Each collection can be up to 1 cubic metre (a standard 6x4 trailer load) and items must be no longer than 1.5 metres as well as easily handled by one to two people.

Please see the reverse of this card for items that can and can't be included in your hard rubbish collection.

**BOOKINGS 9205 5555**

A booking is essential for collection to take place.
