

PLANNING PERMIT

Permit No: PLN18/0158

Planning Scheme: Yarra

Responsible Authority: City Of Yarra

ADDRESS OF THE LAND:

89 Rokeby St Collingwood VIC 3066 & Common Property on Plan of Subdivision 409682R

THE PERMIT ALLOWS:

Construction of a five-storey office building (as-of-right use) and reduction in the associated car parking requirement

THE FOLLOWING CONDITIONS APPLY TO THIS PERMIT:

1. Before the development commences, amended plans to the satisfaction of the Responsible Authority must be submitted to and approved by the Responsible Authority. When approved, the plans will be endorsed and will then form part of this permit. The plans must be drawn to scale with dimensions, and three copies must be provided.
 - (a) The plans must be generally in accordance with the sketch plans (prepared by Architects EAT, dated 11.07.2019, Revision C: TP2.01, 2.02, 2.03, 2.04, 2.05, 2.06, 3.01, 3.02, 3.03, 3.04, 4.01, 4.02, 6.01, 6.02 and 0.05), showing the following:
 - i. ground Level undercroft extended to Level 1 south-eastern corner, with a first floor balcony within this setback, including a window fronting Rokeby Street.
 - ii. widening of the undercroft area at the front to 4.4m.
 - iii. relocation of the lift/foyer (with subsequent internal reconfigurations and changes to net floor area).
 - iv. changes to the concrete walls along the north and south elevations (to blend more with the square block pattern of the front of the building).
 - v. pedestrian entry door changed to a galvanised metal framed door, with glass insert panels.
 - vi. construction details, including the curved corner details of the glass blocks.
 - vii. a sample board of the glass blocks and concrete.
 - viii. any design change as a result of a condition requirement of this permit.

Date: 09 September 2019

Signature for the Responsible Authority

2. The development as shown on the endorsed plans must not be altered (unless the Yarra Planning Scheme specifies that a permit is not required) without the prior written consent of the Responsible Authority.
3. The provisions, recommendations and requirements of the endorsed Sustainable Management Plan prepared by Urban Leaf, dated 06.02.2018 must be implemented and complied with to the satisfaction of the Responsible Authority.
4. The provisions, recommendations and requirements of the endorsed Waste Management Plan prepared by Waste Tech Services Pty Ltd, dated 01.12.2017 must be implemented and complied with to the satisfaction of the Responsible Authority.
5. Before the building is occupied, or by such later date as approved in writing by the Responsible Authority, all new on-boundary walls must be cleaned and finished to the satisfaction of the Responsible Authority.
6. All buildings and works must be maintained in good order and appearance to the satisfaction of the responsible authority.
7. Before the building is occupied, or by such later date as approved in writing by the Responsible Authority, external lighting capable of illuminating the entry must be provided within the property boundary. Lighting must be:
 - (a) located;
 - (b) directed;
 - (c) shielded; and
 - (d) of limited intensityto the satisfaction of the Responsible Authority.
8. Before the building is occupied, or by such later date as approved in writing by the Responsible Authority, the footpath along the property's Rokeby Street frontage must be stripped and re-sheeted with a cross-fall of 1:40 or unless otherwise specified by Council;
 - (a) at the permit holder's cost; and
 - (b) to the satisfaction of the Responsible Authority.
9. Before the building is occupied, or by such later date as approved in writing by the Responsible Authority, the redundant vehicle crossings on Rokeby Street must be demolished and reinstated as standard footpath and kerb and channel:
 - (a) at the permit holder's cost; and
 - (b) to the satisfaction of the Responsible Authority.
10. Upon completion of all buildings and works and connections for underground utility services, or by such later date as approved in writing by the Responsible Authority, the applicant must clearly delineate the site's title boundary along Rokeby Street;
 - (a) to the satisfaction of Council; and
 - (b) Brass discs or a similar type method for delineating the title boundaries could be considered.

Signature for the Responsible Authority

11. Prior to the completion of the development, subject to the relevant authority's consent, the relocation of any assets necessary to facilitate the development must be undertaken:
- (a) in accordance with any requirements or conditions imposed by the relevant authority;
 - (b) at the permit holder's cost; and
 - (c) to the satisfaction of the Responsible Authority.
12. Before the building is occupied, or by such later date as approved in writing by the Responsible Authority, any damage to Council infrastructure resulting from the development must be reinstated:
- (a) at the permit holder's cost; and
 - (b) to the satisfaction of the Responsible Authority.
13. Before the development commences, a Construction Management Plan to the satisfaction of the Responsible Authority must be submitted to and approved by the Responsible Authority. When approved, the plan will be endorsed and will form part of this permit. The plan must provide for:
- (a) a pre-conditions survey (dilapidation report) of the land and all adjacent Council roads frontages and nearby road infrastructure;
 - (b) works necessary to protect road and other infrastructure;
 - (c) remediation of any damage to road and other infrastructure;
 - (d) containment of dust, dirt and mud within the land and method and frequency of clean up procedures to prevent the accumulation of dust, dirt and mud outside the land;
 - (e) facilities for vehicle washing, which must be located on the land;
 - (f) the location of loading zones, site sheds, materials, cranes and crane/hoisting zones, gantries and any other construction related items or equipment to be located in any street;
 - (g) site security;
 - (h) management of any environmental hazards including, but not limited to,:
 - (i) contaminated soil;
 - (ii) materials and waste;
 - (iii) dust;
 - (iv) stormwater contamination from run-off and wash-waters;
 - (v) sediment from the land on roads;
 - (vi) washing of concrete trucks and other vehicles and machinery; and
 - (vii) spillage from refuelling cranes and other vehicles and machinery;
 - (i) the construction program;
 - (j) preferred arrangements for trucks delivering to the land, including delivery and unloading points and expected duration and frequency;
 - (k) parking facilities for construction workers;
 - (l) measures to ensure that all work on the land will be carried out in accordance with the Construction Management Plan;
 - (m) an outline of requests to occupy public footpaths or roads, or anticipated disruptions to local services;
 - (n) an emergency contact that is available for 24 hours per day for residents and the Responsible Authority in the event of relevant queries or problems experienced;
 - (o) the provision of a traffic management plan to comply with provisions of AS 1742.3-2002 Manual of uniform traffic control devices - Part 3: Traffic control devices for works on roads;

Date: 09 September 2019

If required, the Construction Management Plan may be approved in stages. Construction of each stage must not commence until a Construction Management Plan has been endorsed for that stage, to the satisfaction of the Responsible Authority.

14. The provisions, recommendations and requirements of the endorsed Construction Management Plan must be implemented and complied with to the satisfaction of the Responsible Authority.
15. Except with the prior written consent of the Responsible Authority, demolition or construction works must not be carried out:
 - (a) Monday-Friday (excluding public holidays) before 7 am or after 6 pm;
 - (b) Saturdays and public holidays (other than ANZAC Day, Christmas Day and Good Friday) before 9 am or after 3 pm; or
 - (c) Sundays, ANZAC Day, Christmas Day and Good Friday at any time.
16. This permit will expire if:
 - (a) the development is not commenced within two years of the date of this permit; or
 - (b) the development is not completed within four years of the date of this permit.

The Responsible Authority may extend the periods referred to if a request is made in writing before the permit expires or within six months afterwards for commencement or within twelve months afterwards for completion.

Notes:

A building permit may be required before development is commenced. Please contact Council's Building Services on 9205 5428 to confirm.

Provision must be made for drainage of the site to a legal point of discharge. Please contact Council's Building Services on 9205 5428 for further information.

A local law permit (e.g. Asset Protection Permit, Road Occupation Permit) may be required before development is commenced. Please contact Council's Construction Management Branch on Ph. 9205 5041 to confirm.

Areas must be provided inside the property line and adjacent to the footpath to accommodate pits and meters. No private pits, valves or meters on Council property will be accepted.

No parking restriction signs or line-marked on-street parking bays are to be removed, adjusted, changed or relocated without approval or authorisation from Council's Parking Management unit and Construction Management branch.

Any on-street parking reinstated as a result of development works must be approved by Council's Parking Management unit.

All future business owners and employees within the development approved under this permit will not be permitted to obtain employee or visitor parking permits.

PLANNING PERMIT

IMPORTANT INFORMATION ABOUT THIS PERMIT

WHAT HAS BEEN DECIDED?

The Responsible Authority has issued a permit.

(Note: This is not a permit granted under Division 5 or 6 of Part 4 of the **Planning and Environment Act 1987**.)

WHEN DOES A PERMIT BEGIN?

A permit operates:

- from the date specified in the permit; or
- if no date is specified, from—
 - (i) the date of the decision of the Victorian Civil and Administrative Tribunal, if the permit was issued at the direction of the Tribunal; or
 - (ii) the date on which it was issued, in any other case.

WHEN DOES A PERMIT EXPIRE?

1. A permit for the development of land expires if—
 - the development or any stage of it does not start within the time specified in the permit; or
 - the development requires the certification of a plan of subdivision or consolidation under the Subdivision Act 1988 and the plan is not certified within two years of the issue of the permit, unless the permit contains a different provision; or
 - the development or any stage is not completed within the time specified in the permit, or, if no time is specified, within two years after the issue of the permit or in the case of a subdivision or consolidation within 5 years of the certification of the plan of subdivision or consolidation under the **Subdivision Act 1988**.
2. A permit for the use of land expires if—
 - the use does not start within the time specified in the permit, or if no time is specified, within two years after the issue of the permit; or
 - the use is discontinued for a period of two years.
3. A permit for the development and use of land expires if—
 - the development or any stage of it does not start within the time specified in the permit; or
 - the development or any stage of it is not completed within the time specified in the permit, or, if no time is specified, within two years after the issue of the permit; or
 - the use does not start within the time specified in the permit, or, if no time is specified, within two years after the completion of the development; or
 - the use is discontinued for a period of two years.
4. If a permit for the use of land or the development and use of land or relating to any of the circumstances mentioned in section 6A(2) of the **Planning and Environment Act 1987**, or to any combination of use, development or any of those circumstances requires the certification of a plan under the **Subdivision Act 1988**, unless the permit contains a different provision—
 - the use or development of any stage is to be taken to have started when the plan is certified; and
 - the permit expires if the plan is not certified within two years of the issue of the permit.
5. The expiry of a permit does not affect the validity of anything done under that permit before the expiry.

WHAT ABOUT REVIEWS?

- The person who applied for the permit may apply for a review of any condition in the permit unless it was granted at the direction of the Victorian Civil and Administrative Tribunal, in which case no right of review exists.
- An application for review must be lodged within 60 days after the permit was issued, unless a notice of decision to grant a permit has been issued previously, in which case the application for review must be lodged within 60 days after the giving of that notice.
- An application for review is lodged with the Victorian Civil and Administrative Tribunal.
- An application for review must be made on relevant form which can be obtained from the Victorian Civil and Administrative Tribunal, and be accompanied by the applicable fee.
- An application for review must state the grounds upon which it is based.
- A copy of an application for review must be served on the responsible authority.
- Details about applications for review and the fees payable can be obtained from the Victorian Civil and Administrative Tribunal.
