

Richmond & Collingwood Youth Program Grants 2020 – 2023 Guidelines

Richmond & Collingwood Youth Program Grants 2020 – 2023

Yarra City Council provides funding through different grant programs for not-for-profit organisations to help achieve the Strategic Objectives of the Council Plan.

The Richmond and Collingwood Youth Program Grants provide up to three years of funding subsidy to a not-for-profit organisation towards the design, deliver and evaluation of programs and activities which identify and address the needs of 8 to 21 year olds living on the Richmond and/or Collingwood Housing Estates.

\$90,000 (plus CPI) per annum is available per estate, for a three year term from 1 July 2020 to 30 June 2023. Applicants may propose projects which take place on either Richmond or Collingwood Estate, or may propose a program that runs across both estates. The funding pool for each estate may be divided among multiple recipients or awarded to a single applicant depending on the merit of the applications received in this round.

These guidelines describe how a group or organisation can access funding assistance from Yarra City Council to deliver the Richmond and Collingwood Youth Program Grants.

Program objectives

The Richmond and Collingwood Youth Program Grants align with the key strategic objectives of the Council Plan 2017 – 2021, and the goals outlined in Yarra City Council's *0 – 25 Years Plan for Children, Young People and Families*. The grants highlight Council's commitment to ensuring that young people aged 8 to 21 years, particularly those disadvantaged, have enhanced health and wellbeing outcomes.

Specifically, the objectives of the Richmond and Collingwood Youth Program Grants are to:

1. Deliver regular programs, activities and events for children and young people during term time and school holidays on the Collingwood and Richmond housing estates;
2. Ensure all programs and activities delivered are culturally safe, welcoming and inclusive for all children and young people;
3. Work with Council to promote stories and achievements of children and young people from the Collingwood and Richmond housing estates;

4. Work in partnership with children and young people, their families, and key local stakeholders to increase young people's access to information, support and referral to youth services in the City of Yarra; and
5. Support opportunities for children and young people to participate in the design, planning, delivery and evaluation of programs, and, where possible, have a greater voice and influence on wider Council decision-making.

In addition to the specific objectives, successful applicants must also ensure that programs and activities on the Richmond housing estate are delivered at the Richmond Youth Hub (pending completion, tbc), and in partnership with organisations coordinating the facility.
