

ANNUAL PLAN

2019/2020

DRAFT

Introduction

The Yarra City Council adopted its Council Plan 2017 – 21 on 1 August 2017. The Council Plan 2017 – 21 sets out the medium-term direction of Council and the outcomes sought by Councillors for their term. For the first time, the Council Plan incorporates the Health and Wellbeing Plan. This financial year, 2019/20 is Year three of the Council Plan 2017 – 21.

Under the Local Government Act 1989 (the Act), each council is required to produce a four-year Council Plan by 30 June in the year following a general election. The Plan must include Strategic Objectives, Strategies, Strategic Indicators and a Strategic Resource Plan.

Council has identified a number of initiatives under each Strategic Objective which are significant projects and activities that are proposed to be worked on over the term of the Council Plan, subject to approval through the annual budget process.

Council produces an Annual Plan alongside each year's Budget, setting out specific projects and activities that Council will undertake towards achieving the Strategic Objectives. This will include priority projects, capital works projects, actions in response to initiatives in the Council Plan and other Council strategies and plans as well as service reviews and improvements.

The Council Plan 2017 – 21 has seven Strategic Objectives which relate to a different aspect of service delivery :

A healthy Yarra: Community health, safety and wellbeing are a focus in everything we do. Council plays a key role in contributing to our community's health and wellbeing. From delivering maternal and child health services to ensuring access to open space, enforcing noise regulations to supporting community and cultural initiatives, community health, safety and wellbeing is central to everything we do.

An inclusive Yarra: Inclusion, diversity and uniqueness are welcomed, respected and celebrated. Identity was a passionate and recurring theme throughout community consultation for the Council Plan. Our community values its diversity. Creating a safe place where people of all ages, genders, sexualities, abilities, cultures and backgrounds feel welcome and connected is a priority for Council.

A sustainable Yarra: Council leads on sustainability and protects and enhances its natural environment. As Victoria's first carbon-neutral council, we are proud of our commitment to sustainability. Protecting our natural environment and supporting our community to reduce its environmental footprint will continue to be a priority for Council.

A liveable Yarra: Development and growth are managed to maintain and enhance the character and heritage of the city. With demand for inner city housing increasing, Council is mindful of the importance of balancing the needs of new and existing residents, and ensuring that development does not encroach on the amenity or heritage of our city.

A prosperous Yarra: Local businesses prosper and creative and knowledge industries thrive. Yarra is a great place to do business and to work. Supporting local businesses and creative industries not only contributes to Yarra's economy, but also increases local employment opportunities, enhances street life and fosters community connectedness.

A connected Yarra: Connectivity and travel options are environmentally sustainable, integrated and well-designed. Council is committed to creating a city that is accessible to all irrespective of levels of personal mobility, to support a fulfilling life without the need for a car.

A leading Yarra: Transparency, performance and community participation drive the way we operate. Council is committed to change through an energised, cohesive team of professionals, recognised for our leadership, innovation and service.

In response to its Strategic Objectives, Council has committed to 36 projects and activities from a broad cross-section of services in the 2019/20 Annual Plan.

Progress of these projects and actions will be reported in the 2019/20 Annual Plan Quarterly Progress Reports. Further information can be found in the published version of the Council Plan 2017 – 21 on the City of Yarra's website (<https://www.yarracity.vic.gov.au/about-us/council-information/council-plan>).
