Dear Marine,

Re: Yarra City Council Proposed discontinuance of road abutting 12-20 Victoria Crescent, Abbotsford (Road)

Thank you for your communication dated **10/05/2019** in relation to the location specified above.

Telstra's plant records indicate that there are no Telstra assets within the area of the proposal. Subject to your compliance with the below conditions, **Telstra has NO OBJECTIONS** to the **Road Discontinuance**.

We note that our plant records merely indicate the approximate location of the Telstra assets and should not be relied upon as depicting a true and accurate reflection of the exact location of the assets. Accordingly, we note that all individuals have a legal "Duty of Care" that must be observed when working in the vicinity of Telstra's communication plant. It is the constructor's/land owner's responsibility to anticipate and request the nominal location of Telstra plant via **Dial Before You Dig "1100" number** in advance of any construction activities in the vicinity of Telstra's assets.

On receipt of plans, notwithstanding the recorded location of Telstra's plant, the constructor/land owner is responsible for obtaining a Telstra accredited Asset Plant Locator to perform cable location, potholing and physical exposure to confirm the actual location of the plant prior to the commencement of site civil work. Telstra reserves all rights to recover compensation for loss or damage caused by interference to its cable network or other property.

Telstra would also appreciate due confirmation when this proposed acquisition proceeds so as to update its Cadastre records. Information regarding acquisition of the land would be of benefit to us and should be directed to the following location:
