### Purpose

1. To hear any person who wishes to speak in support of a written submission to the draft 2020/21 Budget in accordance with section 223 of the Local Government Act 1989 (the Act).

### Background

2. Council is required to adopt a Budget under Section 130 of the Act and must give public notice of its decision.
3. Under Section 223 of the Act, Council is required to:
  - (a) give public notice outlining how the community can access a copy of the budget, timelines for submissions (at least 28 days) and the option to speak to their submission at a Council meeting;
  - (b) receive submissions;
  - (c) hear submissions at a Council meeting (where submitters have requested that opportunity); and
  - (d) write to each submitter noting Council's decision and the reasons for it.
4. The process of community engagement to inform development of the draft 2020/21 Budget commenced in late 2019. The initial round of community consultation assisted Council to understand a range of community sentiments and priorities for the budget.
5. Following this informal consultation process, Council formulated a draft Budget to fund services Council provides and additional works, services, and programs Council determined were priorities for the coming year. This was subsequently revised with the significant impact of Covid-19 and Council's financial support package response.
6. A draft 2020/21 Budget was presented to the Ordinary Council meeting on 19 May 2020 and was adopted in principle, for the formal advertising and consultation process.
7. The restrictions introduced by Federal and State Governments in response to Covid-19 prohibited face to face engagements with our community. In response Council undertook extensive on-line and social media campaign to engage the community.
