Creative Yarra and Engage Yarra 2022 – 2023 Guidelines

The City of Yarra is abundant with creative energy generated by a unique mix of talented people and diverse communities engaged in arts and culture. It is this collective energy that makes the municipality one of Australia's most productive arts and cultural centres and contributes to Yarra's unique identity.

Yarra's creativity is expressed in many ways and Council takes an active role in supporting a range of people and communities as they participate in, and contribute to, our creative culture. To this end, Council offers a number of funding initiatives that help to realise Strategic Objectives in the Council Plan.

Engage Yarra & Creative Yarra offers two years of fixed funding from January 2022 to December 2023 for individual creative practitioners and organisations to deliver arts and cultural activities within the City of Yarra. They are designed to provide security and reduce administration costs so that we can enable artistic activity to be developed over a two year period, support our creative community to build greater capacity and to deliver the best outcomes in our city.

Successful applicants are offered two years of funding, with a CPI adjustment in Year 2 (pending budget approval). Previously successful recipients can reapply, but each funding round is competitive and repeated success cannot be assumed. The maximum Year 1 grant amount for organisations is \$30,000. Individual applicants are able to apply for a maximum year 1 grant amount of \$15,000. Successful applicants may apply for other Council grants, but cannot hold multiple grants for the same activities.

Engage Yarra & Creative Yarra are open to organisations providing dynamic and valuable arts and cultural activities in the City of Yarra and prioritises those with a proven track record and well-articulated plans. Organisations may apply for operational and/or project funding. These streams are also open to individual creative practitioners who will need to demonstrate a commitment to realising a project or body of work over a two year timeframe and be able to clearly demonstrate the outcomes of this work in their proposal.

The proposed activities may take any art form but must be of high cultural and artistic merit and show a clear relevance with Yarra's community. Whilst innovation and dynamism are valued, the activity does not need to be new.

FUNDING STREAMS

Council recognises the different attributes associated with specific areas of practice and as such asks that applicants elect the funding stream that most closely aligns with their proposal. Both streams are open for applications from individual practitioners and organisations (subject to eligibility criteria).

Engage Yarra supports activities that showcase, celebrate and promote local cultures, people, places and arts practice. It supports projects that enhance community participation and engagement in arts and cultural activities. Priority is given to proposals that enable collaboration and participation in strong creative projects between artists and non-artists, that value and highlight diversity and that encourage engagement with new audiences.

Creative Yarra supports professional artists and art organisations to produce and present new or existing work in any medium via funding that supports projects, programs, operations and/or administration. Priority is given to proposals that demonstrate outstanding artistic value and creative practitioners or organisations who present ideas that require longevity to be developed and realised.

COUNCIL CONTACTS

Applicants are advised to contact a council officer to discuss their project before submitting their application.

PREPARING A GRANT APPLICATION

When preparing your grant application, please consider the following:

- Begin your application as early as possible. We strongly recommended you submit your application before the due date. The grant round closes strictly at 11:59pm on Sunday 13 June, We are unable to accept late applications for any reason.
- Ensure that you state explicitly what your project is. Describe the event/activity/program, so that it is clear what you want to do, how you want to do it, and why it is worth doing.
- Bear in mind that the assessors change each year and presume that they are not familiar with your organisation or your previous projects. Assessors are not given access to your grant history.
- Be as precise as possible. The assessors are aware that your project may still be in the planning stage, and that definite plans are not always possible until funding is secured. However, you can still clearly state what your intentions are and, if needed, adjust the project plan through a project variation if your grant is successful.
- If your project involves partnering with another organisation, it is useful to show some evidence of that partnership, such as a letter of support.

Creative Yarra and Engage Yarra 2022 – 2023 Guidelines

Aboriginal Consultation

If your project relates to the local Aboriginal community, or you are planning on working with Aboriginal community, you should demonstrate that you have undertaken consultation in your grant application.

Council recognises the Wurundjeri people as the Traditional Owners of the land on which the City of Yarra now stands. Consultation and cultural requests such as cultural awareness training, Welcome to Country ceremonies or smoking ceremonies must be directed to the Wurundjeri Council. If your project relates to specific issues you may wish to consult with other Aboriginal organisations such as the Victorian Aboriginal Health Service or the Melbourne Aboriginal Youth Sport and Recreation Co-operative (MAYSAR).

When planning a project relating to or with the Aboriginal community, consultation should happen at the beginning, when the project is being developed. Do not present your proposed plans or projects to the Aboriginal community when they are half and/or already complete.

You should also ensure you allow time for consultation processes. Many decisions require Aboriginal people to consult their Elders. Bear in mind that cultural knowledge and advice from Wurundjeri Council is in high demand and, like any specialised advice, may come at a fee.

The Wurundjeri Council can be reached at www.wurundjeri.com.au, or by phone on 9416 2905.

Accessibility

All applicants are encouraged to consider how their organisation and project will be accessible and inclusive of people with a disability. For ideas on how to make your program, project, or event more flexible please see the Accessibility Guide on the Annual Grants website at: <https://www.yarracity.vic.gov.au/about-us/grants/annual-grants>. For more information contact Cheryle Gray, Coordinator Community Planning on 9205 5175.

Environmental Impact

All applicants are encouraged to incorporate activities that improve the sustainable outcomes of their projects. For more information contact Kelly Heffer, Sustainability Engagement Officer, on 9205 5769.

PREPARING A PROJECT BUDGET

When preparing a budget for your project please consider the following:

- Due to the competitive nature of the grant program, successful applicants may not be granted the full amount they request. A smaller amount may be recommended if the project will still be viable. Therefore it is important to ensure that your budget is as detailed as possible, and that all costs are realistic and justified/explained within your application so that the assessment panel can be clear on which items they are supporting.
- Applications may be strengthened by applying for and securing other funding for your project. Please include all funding in your budget and mark whether the funding is confirmed or unconfirmed.
- The Engage Yarra/Creative Yarra Application requires a detailed budget for the first year and an indicative budget for the subsequent year, loaded into the template provided.

ACQUITTAL

Grant recipients will be required to submit a Progress Report at the end of Year One (in January 2023). Year Two funds will be released after the submission and approval of this report.

Creative Yarra and Engage Yarra 2022 – 2023 Guidelines

Grant recipients are also required to submit an Acquittal Form within two months of completion of the project. The acquittal includes questions about how many people and Yarra residents participated in the event/program, what adjustments were made to the project as it unfolded, and whether the aims and objectives outlined in the application were met. The acquittal also includes a financial report, in which you are required to demonstrate that the funds were spent in accordance with the budget submitted. You are required to keep accurate, up-to-date records in relation to the project including, but not limited to, itemised receipts issued when funding is spent and relevant account records to submit as part of the acquittal.

The Progress Report and Acquittal forms are attached to each successful application. Links to the forms are listed under each application in the “My submissions” area of SmartyGrants. To access an acquittal form, please log onto cityofyarra.smartygrants.com.au, click on the “My Submissions” tab and scroll down to the specific grant. You can then complete and submit the acquittal in the same way you submitted your grant application.

Please keep receipts for expenditure items over \$200 to upload into your online acquittal.

To be eligible for a grant, organisations and/or individuals must have acquitted any previous grants from Yarra City Council. Applications from applicants with outstanding acquittals will **not** be assessed.
