# MESSAGE FROM THE MAYOR

## Yarra has been awash in yellow and black and rainbow flags.

The Tigers' recent AFL premiership was an exciting time for residents and a boost to businesses in Yarra. Everyone played a part in this historic celebration, with banners and projections on our town halls (courtesy of Richmond Football Club and Bridge Rd Main Street), local traders decorating their stores and our fabulous road crew working day and night to ensure our streets were clean and safe.

Yarra's businesses have also played a role in supporting Council's advocacy for the Yes campaign in the Marriage Equality postal survey. They joined our residents in signing rainbow banners, and placing signs of support in windows and doors, demonstrating the power of advocacy when we join together.

Another Yarra icon was recognised when the Abbotsford Convent was placed on the National Heritage List. From the grassroots community campaign to save the convent 20 years ago, it is now recognised as a world renowned arts and heritage precinct.

As the year draws to a close, it's timely to reflect on our achievements: a new four-year Council Plan with its vision for a sustainable and prosperous future, community satisfaction survey results with strong support for council services, and advocacy on big issues facing our community such as Yarra River controls, marriage equality, a Medically Supervised Injecting Facility and finding the best date for our national day.

I thank my councillor colleagues for their hard work and dedication, our committed staff, and the community for your active participation in civic life that is a hallmark of living and working in Yarra.

Best wishes for a safe and peaceful holiday season.

**Cr Amanda Stone  
Mayor**

# THE MOST WONDERFUL TIME OF THE YEAR

We hope you'll join us for our end-of-year festivities in Citizens Park and Edinburgh Gardens (see below) and don't forget to support your local retailers in the lead-up to Christmas.

## Shop local this Christmas

Get into the Christmas spirit with a visit to one of Yarra's famous retail and dining precincts. From fashion and furniture to food and flowers, Yarra's local shops will have everything you need in the lead-up to the big day. By walking or riding to your local store, you'll be supporting the Yarra economy while reducing congestion in our streets. Yarra has major shopping strips in Richmond (Bridge Road and Church, Swan and Victoria streets), Fitzroy/Collingwood (Brunswick, Gertrude, Johnston and Smith streets), Fitzroy North/Carlton North (Nicholson Village, North Fitzroy Village, Queens Parade and Rathdowne Village).

## Carols by Candlelight

Thursday 7 December, 6pm to 9pm  
Citizens Park, Richmond.

We're wishing you a very merry Christmas with a free concert in Citizens Park. This year's Carols by Candlelight event will feature performances by school, community and national choir groups. There will also be a very special appearance from Santa, along with food and drink stalls. Candles and song books will be available for purchase, so warm up your vocal cords and bring a picnic blanket.

## A FAMILY-FRIENDLY NYE

Consumption of alcohol is banned in Yarra's streets, parks and other public areas from 9pm on Saturday 30 December through to 9am on Monday 1 January. Amplified music is not permitted and glass bottles are strongly discouraged.

## HOLIDAY TIMETABLES

All rubbish and recycling collections will take place as normal during the festive period.

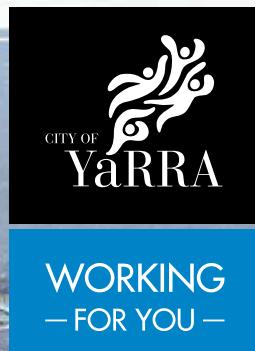

Our customer service centres will be closed on Christmas Day (Monday 25 December), Boxing Day (Tuesday 26 December) and New Year's Day (Monday 1 January).

Our libraries and leisure facilities will also operate on adjusted timetables. Visit [library.yarracity.vic.gov.au](http://library.yarracity.vic.gov.au) and [leisure.yarracity.vic.gov.au](http://leisure.yarracity.vic.gov.au) for details.

## New Years Eve in Yarra

Sunday 31 December, 12pm to 12am  
Edinburgh Gardens, North Fitzroy.

Enjoy a range of low-key, free and family-friendly activities this New Year's Eve, including the Yarra Dog Show from 2pm, with prizes for best costume, cutest canine and most impressive trick. You can also catch a free movie (Oddball from 7.40pm and Hidden Figures from 9.45pm). Pack a picnic or grab a bite at one of your favourite food trucks. Popcorn and film snacks will be brought to you by animal rescue group Maneki Neko. And don't forget to take in the city fireworks (before and after the films) at 9.30pm and midnight.

# CLEANING UP WITH COUNCIL

**Our City Works branch delivers a wide range of services to ensure that Yarra's roads, laneways and shopping strips are kept spick and span.**

Council staff and contractors tackle rubbish and recycling, hard rubbish and green waste, as well as litter and graffiti. Importantly, we street sweep the entire city each month.

Our crews work every day of the year, including public holidays, and special arrangements are made for major events such as street festivals or the AFL Grand Final.

Cleansing Foreman Peter Baker meets with staff and contractors at our Clifton Hill depot to discuss the day's activities.

"Technology is playing a growing role in tracking how to improve our performance and meet targets," Peter says.

"We can monitor what streets need more attention and identify recurring hotspots."

Peter believes that quality cleaning involves constantly reviewing how his crew can deliver services in the most effective manner possible. "Every street is different and needs a particular approach to how it is cleaned. Whilst Swan Street has residents lining for

post-gym coffees by 7am, Brunswick Street is later to rise," Peter laughs.

Street cleaning ensures that our public spaces feel safe and comfortable, and that businesses are able to operate without any obstructions.

Visit [www.yarracity.vic.gov.au/clean](http://www.yarracity.vic.gov.au/clean) or call 9205 5555 to learn more about our cleaning and maintenance services.

## TRAINEE TIME

We have partnered with the Brotherhood of St Laurence to provide traineeships in street cleaning to residents experiencing disadvantage. The program has been successful in creating employment pathways for trainees, with some students having received full-time employment at the conclusion of their course.

# CONVENT MAKES THE CUT

**The Abbotsford Convent has become just the 111th site to be added to the Australian National Heritage List.**

Visitors flock to Abbotsford Convent to see its heritage buildings, take in its arts exhibitions, relax in its sprawling gardens and enjoy a bite at its eateries.

Attracting almost a million visitors a year, it is among the City of Yarra's most beloved destinations, and an important cog in the local economy.

Abbotsford Convent CEO Collette Brennan welcomed the decision. "Being placed alongside icons including the Sydney Opera House and Melbourne Cricket Ground puts the Convent on the map for students, historians and visitors alike, and is something we can all be proud of."

This listing is a major milestone in the effort to retain the historic elements of the convent. "Now that the Convent is included on the National Heritage List, the National Heritage values of the

Convent are protected under the Environment Protection and Biodiversity Conservation Act 1999," she said.

The Sisters of the Good Shepherd established the Abbotsford Convent in 1863 and operated it for more than a century. The new heritage listing helps to acknowledge all aspects of the site's history, including the hardships that some women and girls suffered during their time at the convent.

Community members campaigned to save the site during the 1990s and the not-for-profit Abbotsford Convent Foundation took over in 2004. Since then the heritage aspects of the Convent have been preserved even as the site has evolved into a celebrated centre of arts and culture.

Yarra Council continues to support a range of creative practitioners at the site through its annual grants program.

Visit [abbotsfordconvent.com.au](http://abbotsfordconvent.com.au) to learn more about upcoming events at the site.

*Yarra Mayor, Cr Amanda Stone receives a guided tour of Abbotsford Convent's C3 gallery from artist and curator Tai Snaith*

The Abbotsford Convent is famous throughout the arts community for its inspirational studios and galleries, including the c3 Contemporary Art Space.

# LEADING THE WAY ON WASTE AND RECYCLING

**We're joining our community in tackling inner city waste and recycling challenges and providing residents with a more sustainable approach to reducing waste.**

Together we are moving beyond traditional approaches to managing waste, to embrace face-to-face education and innovative local solutions to minimise waste production.

Community support for this approach has been unprecedented. We have seen major improvements at every stage of the waste management cycle, from making more sustainable purchasing decisions to reusing resources, avoiding the creation of waste all together and recycling correctly.

Last year:

- total waste generated for kerbside collection decreased by 98 tonnes.
- about 97% of goods left at recycling drop-off points were recycled and reused.
- more than 540 tonnes of hard waste was recycled.
- almost 10,000 tonnes of material was recycled.

We consider engaging with our community in a personalised way and providing skills and tools to be critical to our success. By knocking on doors and completing bin-checks, we are able to have important conversations with our residents. Where this isn't possible, we are providing information and resources.

Tackling these problems today will also help us keep a lid on the proportion of rates income that needs to be spent on waste management and recycling in the future.

We're harnessing the energy and enthusiasm of our community, and working closely with waste and recycling authorities such as the Metropolitan Waste Management Group, Environment Protection Authority, Sustainability Victoria, Visy Recycling and Four Seasons.

We are empowering our community with the knowledge and skills to be accountable for their impact on the waste management cycle. We're doing this through regular education and consultation around waste minimisation.

Humanity is currently consuming resources at a much faster rate than we are replenishing them. That's why we need to continue working together to reduce our waste-related impacts on the environment.

## RECYCLE US

Emily, David, Marlo, Kara, Arkie and Olga achieved the best results in the first round of our Recycle Us program, significantly reducing their recycling contamination and resource loss. This involves checking residents' recycling and rubbish bins and offering constructive advice. The number of households recycling correctly improved by 30% during the first round, so we're now planning to expand the program to more properties.

## FOOD KNOW HOW

Our award-winning Food Know How initiative provides community members with tips on smart food planning, shopping, cooking, storage, and growing food at home to help reduce waste and save time and money. Joining Food Know How is a great first step to take to help Yarra reduce food waste. Visit [foodknowhow.yarracity.vic.gov.au](http://foodknowhow.yarracity.vic.gov.au) to take a five-week challenge and get started today.

## CLEANER MUDS

Our Multi-Unit Development (MUD) program recognises that some residents living in apartments struggle with recycling.

We're supporting participating building managers with project plans, waste audits and colour coded bin lids, as well as with educational material.

So far this program has seen bin contamination reduced by 20% and resource loss reduced by 10%.

"Resource loss" occurs when recyclable materials are incorrectly placed in standard rubbish bins.

"Bin contamination" occurs when non-recyclable materials are incorrectly placed in recycling bins.

## LESS LITTER

With support from Sustainability Victoria, we're working to lighten the litter load.

Our promotional campaign has seen a reduction in public litter, especially plastic bags, coffee cups, straws, water bottles, and wet wipes.

Melbourne Farmers Market is using a Council grant to eliminate single-use coffee cups at their Saturday Market at Collingwood Children's Farm.

## RECYCLING SCHOOL

We're working with local schools to show young people that recycling can be fun and rewarding. One activity has students create artwork out of old rubbish. We find that education leads to better habits.

Recycling contamination has been reduced by 15% in our initial rollout of the program, and these results have encouraged us to expand to other local schools.

# A CLEAN SLATE

**We're giving away free graffiti removal kits and paint vouchers to help you join the fight against graffiti.**

We'll be teaming with Victoria Police at four locations during November and December to offer advice and hand out tools for removing graffiti from your property.

The best way to deter graffiti is to remove it as quickly as possible. At Council, we work year-round to ensure

it is removed from public places like parks and playgrounds soon after it occurs.

We want to support you to do the same when you notice graffiti on your own property, so we can all do our bit to keep Yarra's streets clean and graffiti free.

If you can't make it to a workshop, you can request a free graffiti removal kit by contacting us at [info@yarracity.vic.gov.au](mailto:info@yarracity.vic.gov.au) or on 9205 5555.

## JANUARY 26: A TIME FOR REFLECTION

**We're proud to be Australian, and we believe that our celebration of national identity should be held on a date that is inclusive of everyone in our community.**

January 26 commemorates the arrival of the First Fleet. For our local and broader Aboriginal and Torres Strait Islander community, this means the beginning of invasion, dispossession and tragic loss of life, land, culture and language.

Council's decision not to recognise January 26 as a day of celebration does not impact on the way our residents spend the day. People are still welcome to enjoy the public holiday in local parks or in any other way they choose.

But in the lead up to January 26, 2018 and on the day itself, we do encourage people to take a moment to reflect on what this date represents to the

Aboriginal community.

If you would like to acknowledge and celebrate Aboriginal culture on January 26, you may be interested in attending the Share the Spirit Festival, which takes place at Treasury Gardens in Melbourne's CBD. This free annual event celebrates Aboriginal music and culture, and features performances from renowned Aboriginal artists.

Council will hold a small Smoking Ceremony for the local Aboriginal community on January 26, to acknowledge their experiences and also to celebrate their culture which still flourishes.
