PEDESTRIANS WATCH YOUR STEP

Notes:

- 1) Amber flashing light to be kept lit from sunset to sunrise.
- 2) Construction and Pedestrian signage to be securely fixed to hoarding

LEGEND

F = footpath width
 L = hoarding length
 W = hoarding width
 C = pedestrian clearance
 A = hoarding area "L" x "W"

NOTES:

Hoardings are to be designed to the engineers requirements.

Council may Consent to an alternative hoarding footing system i.e. an in-ground post holes, where the proposed hoarding is for a period exceeding 6 months or where the entire footpath is to be reinstated by user
