## Commercial planning guide and checklist

This guide describes what information you need to provide Council when applying for a planning permit to construct and display an advertising sign.

Council requires certain information in order to properly assess your application against the planning controls contained in the Yarra Planning Scheme. To ensure that your application can be processed quickly and efficiently, it is important that all the relevant information is included – this guide will help you do this.

### How to apply for a planning permit

To apply for a permit to construct and display an advertising sign, simply follow these four steps:

- 1. Complete an *Application for Planning Permit* form.** These are available at our Statutory Planning counter or on Council's website ([www.yarracity.vic.gov.au/planning](http://www.yarracity.vic.gov.au/planning)).
- 2. Determine the applicable fee.** To determine what fee you need to pay to lodge your application, please view the fee schedule at our Statutory Planning counter, or contact Statutory Planning on 9205 5373.  
  
**Please note:** The fee can be paid by credit card, cheque or money order (made payable to 'City of Yarra'.)
- 3. Prepare your application,** making sure to include all the information described in this guide, such as plans and a written submission.

### 4. Lodge your completed application by:

Statutory Planning Branch  
PO Box 168

These policies are part of the Yarra Planning Scheme and are available at [www.dpcd.vic.gov.au/planningschemes](http://www.dpcd.vic.gov.au/planningschemes) (select Yarra from the drop down menu), in person at the Richmond Town Hall (333 Bridge Road, Richmond) or by calling Statutory Planning on 9205 5373.

### Other permits/regulations you may need to consider

If you obtain a permit from Council to construct and display an advertising sign, before you commence, you may also need to consider:

- > Building permit – depending on the size of your signage and how it is to be installed
- > Road/footpath occupancy permit – if you need to block the road/footpath in order to install the sign
- > Footpath Trading License – if you wish to display your advertising sign on the footpath (for example an a-frame sign).
