

Welcome to Edinburgh Gardens

PARK RESERVATIONS & EVENT PERMITS

Edinburgh Gardens is a popular park for many types of activities. To accommodate larger groups with minimal impact on the other park users and local residents, certain areas have been designated as suitable for larger groups and events (refer to map), and these areas can be reserved in advance.

Some of the popular spaces include:

E5: Circle of Trees: A lovely shaded spot, popular for wedding ceremonies and medium sized events.

E6: Rotunda – close to St. Georges, easy for guests to find

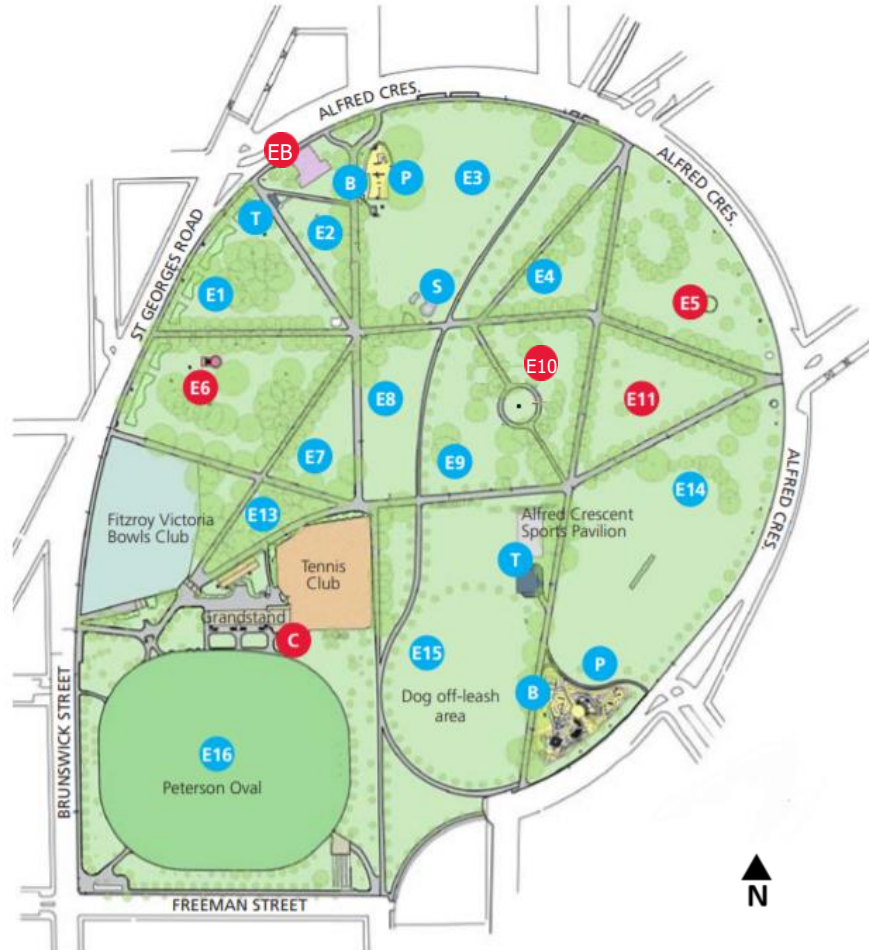

E10: Beautiful, isolated space next to the Queen Victoria Plinth great for smaller, low impact events.

E11: Large, open space suitable for medium sized events.

You will need a permit if one of these conditions apply:

- There will be more than 50 attendees.
- Your event is catered by an external supplier.
- You are charging participants a fee to attend.
- You require amplified sound
- You require vehicle access to drop off equipment.
- Your event requires a specific location.
- You are having a wedding ceremony
- You plan to erect large structures (small 3x3 marquees are permitted without a permit: must be weighted down and secured safely. Spikes or pegs are strictly prohibited.)

If you do not meet any of the criteria above, and are happy to choose a location when you arrive at the park, please go ahead and enjoy yourself – a booking/permit is not required.

EDINBURGH GARDENS – KEY TO MAP
