Dear Ms Vaidyanath

### **PROPOSED YARRA PLANNING SCHEME AMENDMENT C280**

I refer to your council's application for authorisation to prepare an amendment to the Yarra Planning Scheme. The amendment proposes to amend the existing Incorporated Plan Overlay, Schedule 1 (IPO1) at 32-68 Mollison Street, Abbotsford and associated incorporated plan, and remove the IPO1 from 61-69 William Street, Abbotsford.

Under delegation from the Minister for Planning, in accordance with section 8A of the *Planning and Environment Act 1987* (the Act) I authorise your council as planning authority to prepare the amendment subject to the following conditions:

1. Make change to the proposed IPO1 as follows:
  - a) In section 2.0, modify the wording to clarify that only permits that provide for the specified minor works can be considered.
  - b) In section 3.0:
    - i. Include separate sub-headings for permit conditions and permit requirements.
    - ii. Modify wording to clarify the first condition requirement applies to only relevant development/types or development in relevant locations.
    - iii. Delete the requirement that development must not 'appear as one building mass along Mollison Street'.
  - c) In section 4.0, review the proposed decision guidelines and remove those that are not relevant to consideration of buildings and works that can be considered under section 2.0 of the proposed IPO1.
2. Make changes to the proposed incorporated plan titled *32-68 Mollison Street Incorporated Plan (March 2020)* as follows:
  - a) Under 'Performance measures', delete the 'Design and appearance' performance measures.
  - b) In Table 1:
    - i. Specify the street wall height requirement in metres as well as storeys.
    - ii. Provide clarity as to what 'visually recessive materials, while lower level materials should be detailed and robust' means under the 'material definition (podium / lower level and upper levels)' buildings and works requirement.

The amendment must be submitted to the Minister for approval.
