

Yarra Libraries

Storytime at the Library Social Story

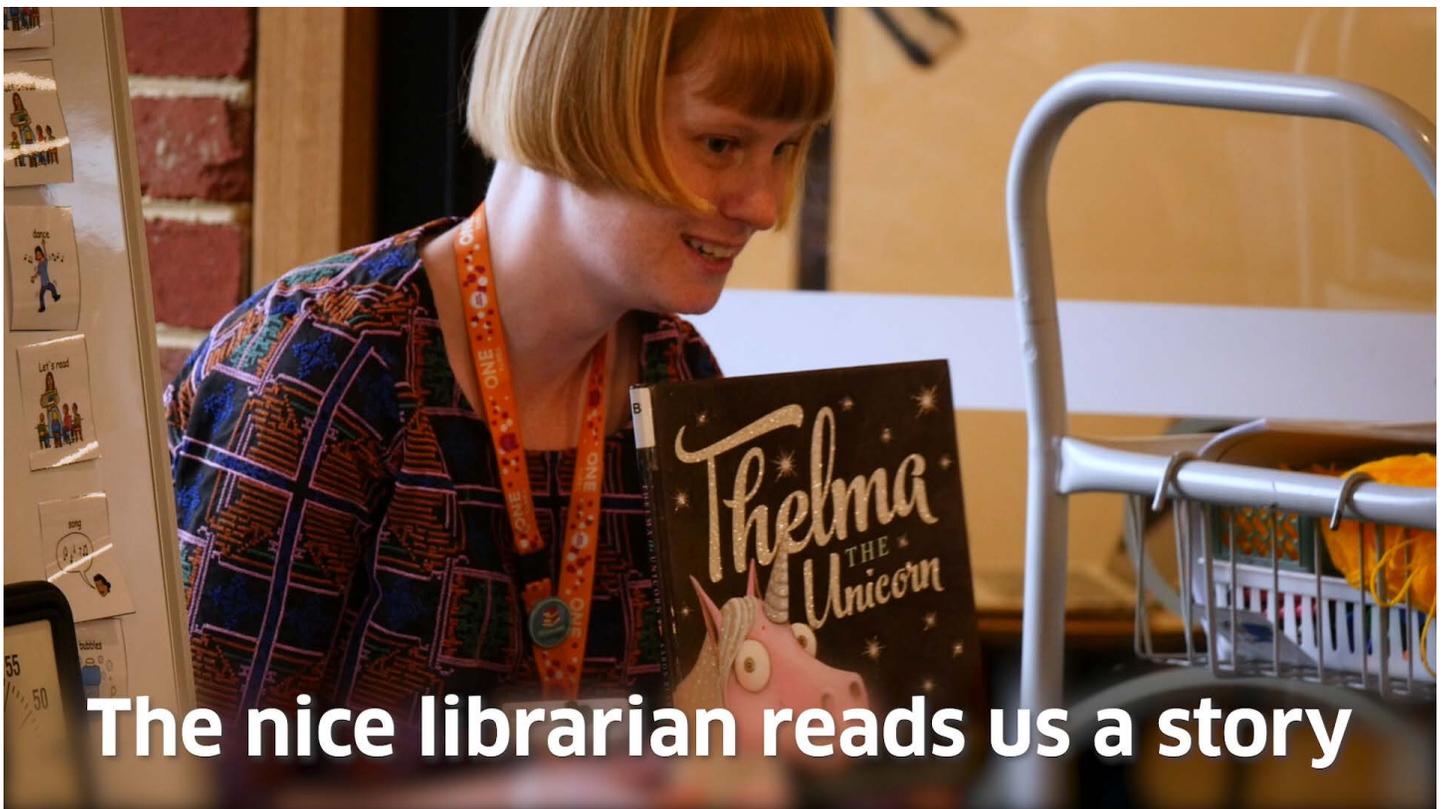

I can sit near the front if I feel like it

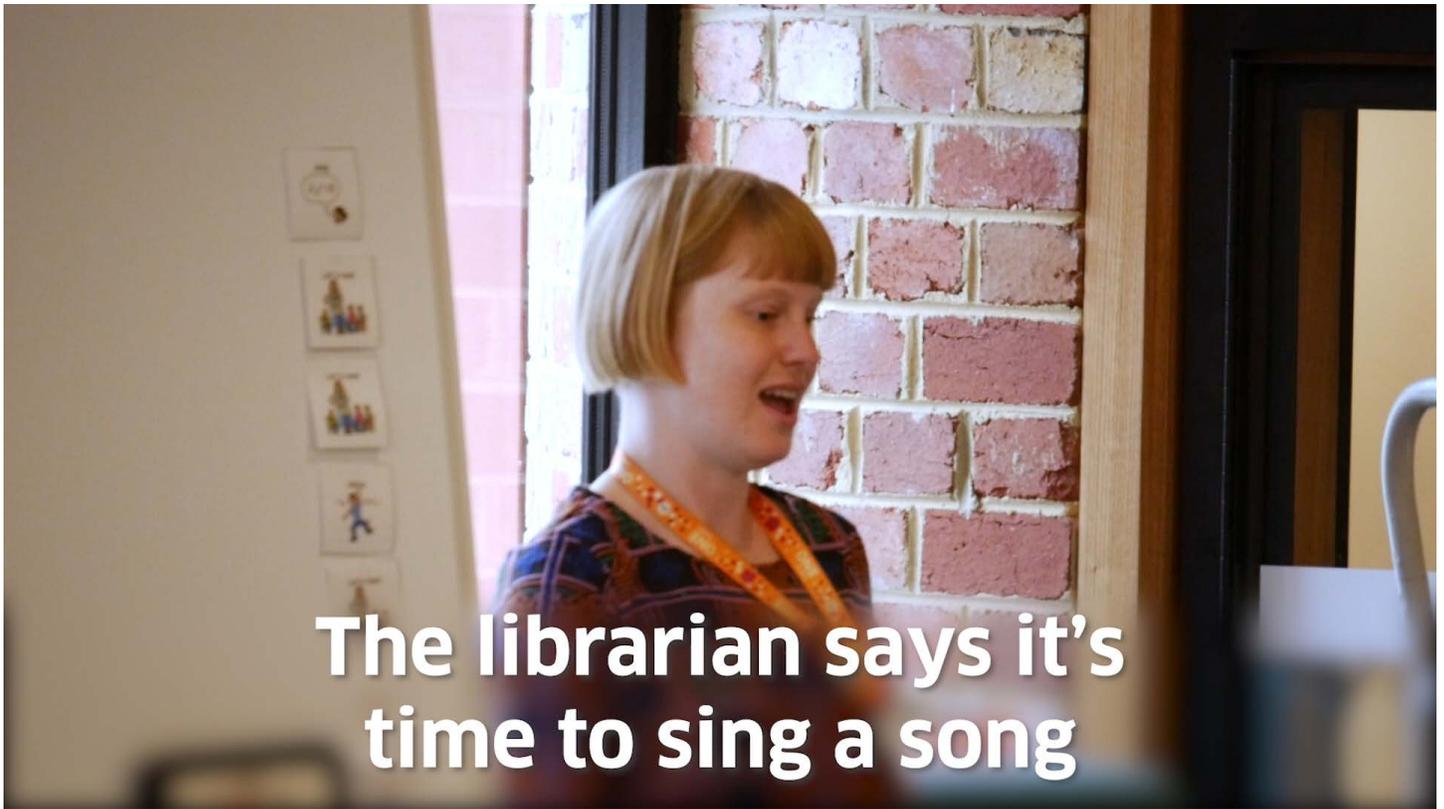

Or I can sit further back

The pictures on the board show what will happen next

The nice librarian reads us a story

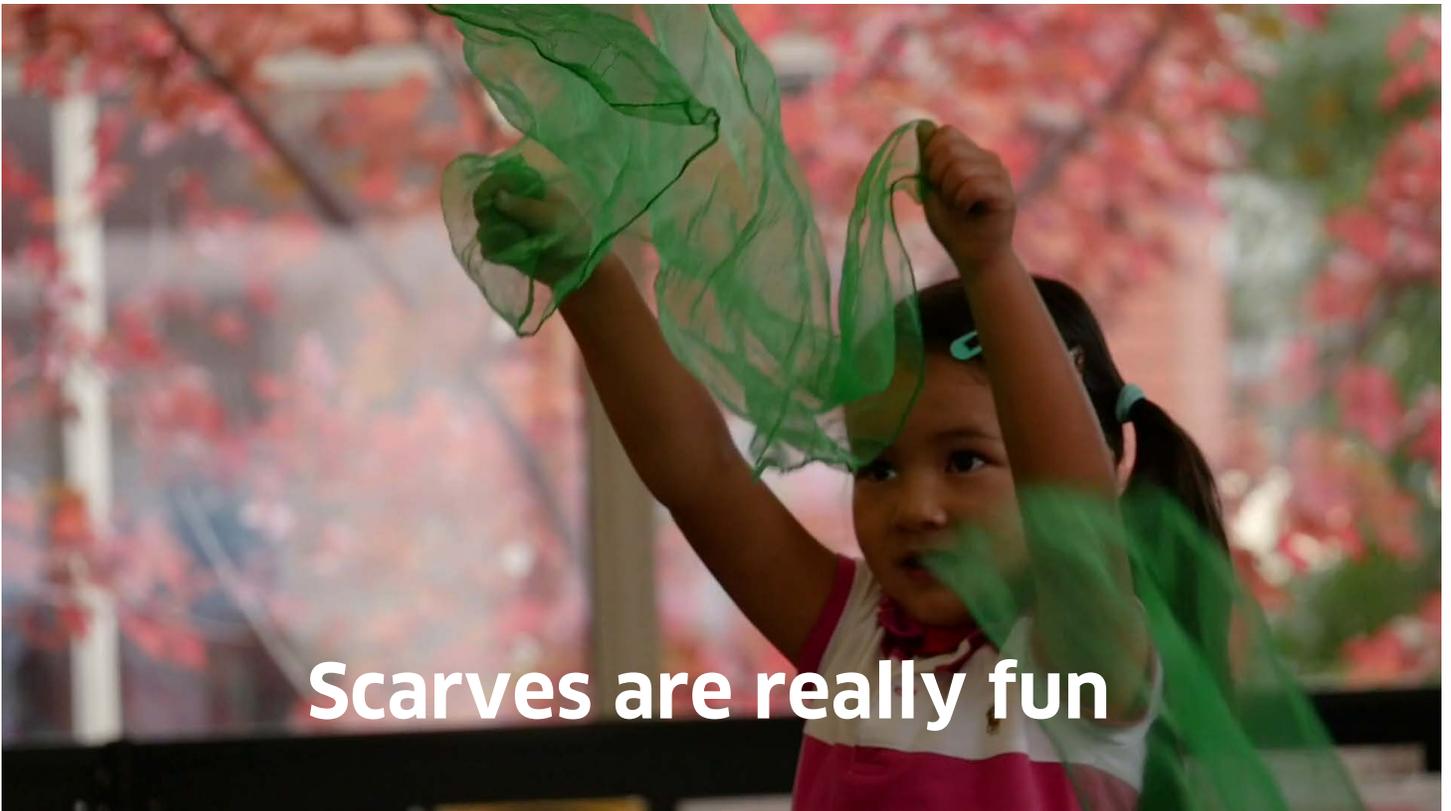

**The librarian says it's
time to sing a song**

**It's fun learning the
movements to the song**

**We are going to wave
scarves during this song**

Scarves are really fun

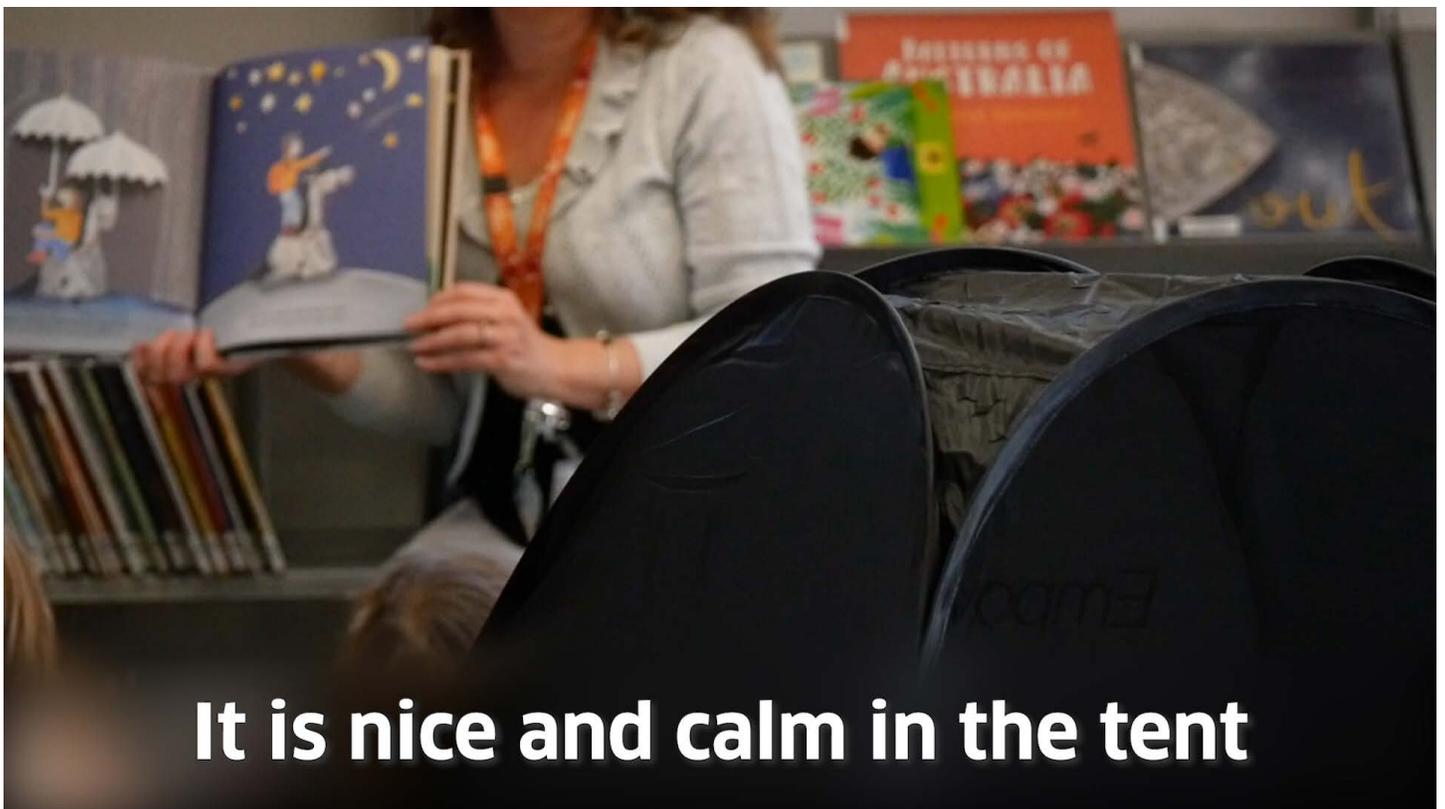

If it gets too loud...

There are ear muffs I can wear

I can sit in the sensory tent if I want

It is nice and calm in the tent

It's time for another story

**We will sit quietly so we
can hear the words**

The clock shows how much time is left

The card goes into the finished box afterwards

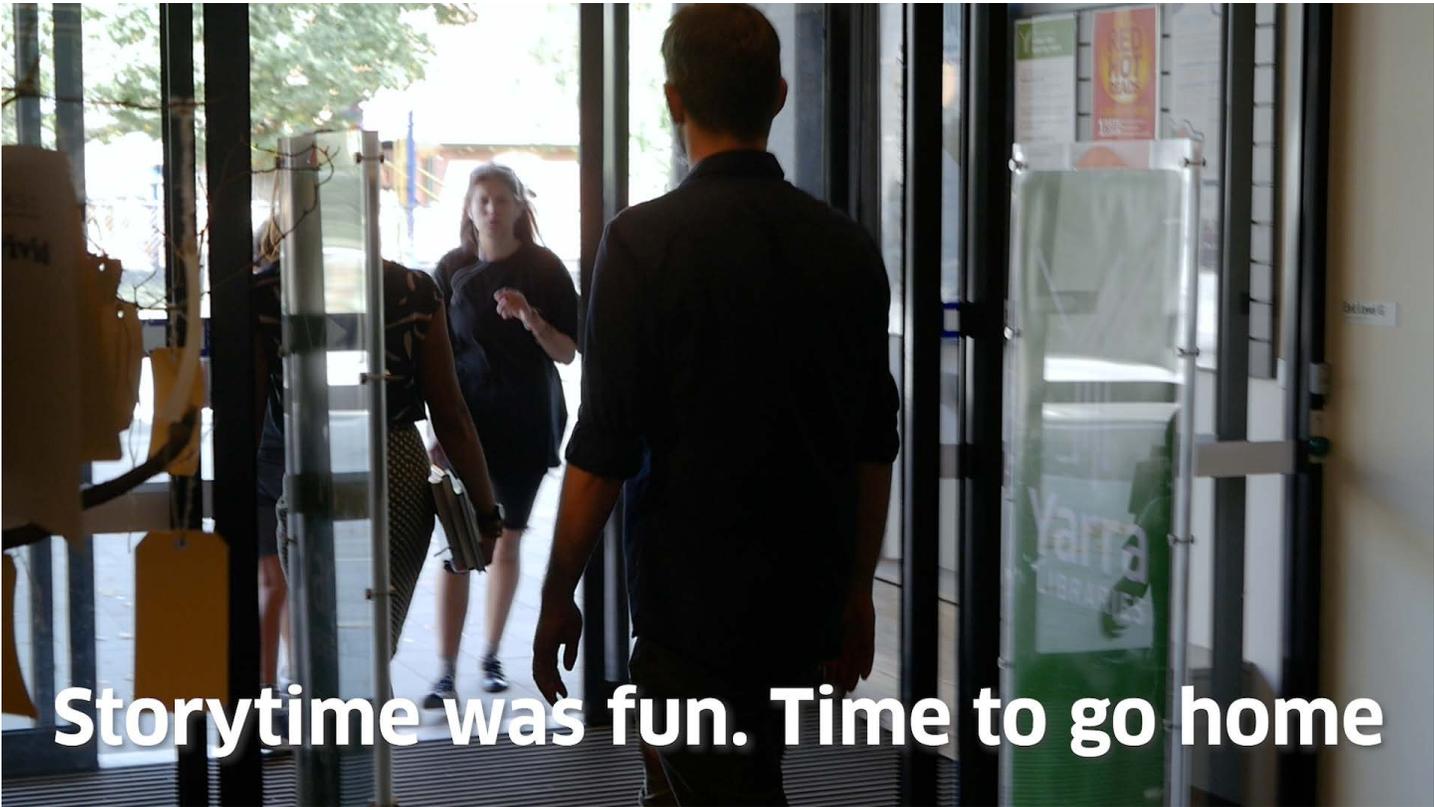

It's time for bubbles

**It's fun to look at the bubbles
and try to touch them**

**At the end of storytime
we do arts and crafts**

Storytime was fun. Time to go home
