

Get funding to improve heating and cooling in your home

Is your home too hot in summer or too cold in winter?

We're offering eligible residents subsidies of up to \$3000 for home improvements through the Yarra Home Energy Upgrades program.

This program is designed to help you:

- Make your home or apartment more comfortable and energy efficient
- Bring down your energy bills
- Reduce your climate emissions

What does the subsidy cover?

Funding can be used to install solar, reverse cycle heating and cooling, insulation, draughtproofing to seal gaps and cracks, efficient electric hot water systems and more.

Who can apply?

Concession card and healthcare card holders living in the City of Yarra. This includes renters, homeowners and community housing residents.

A limited number of places are available in the program. Register your interest: yarracity.vic.gov.au/energy-upgrades or call **03 9205 5555**. For interpreter support call 03 9280 1940.
