

### Aussie Wildlife Wonders

Meet some of Australia's fascinating native animals—snakes, lizards, a crocodile, and even cute marsupials! This hands-on session explores native wildlife, ecosystems, and conservation through a fun, interactive presentation. Ages 5+

### Autumn Art Afternoon

Join us for an Autumn inspired art session. Create crafts to celebrate the colours of the season. All materials provided. Ages 5+

### Autumn Family Storytimes

Snuggle in for cosy, autumn-themed stories, songs, and rhymes celebrating the colours and magic of the season, followed by a simple autumn craft activity. Family-friendly. Ages 0-5.

### BUZZ Workshop

Buzz into the school holidays with Friends with Honey! Discover Australia's native bees, taste honey, and plant bee-friendly seeds to take home! Ages 7+

### Clown Town Performance Workshop

Join Debbie Zukerman from Bananadrama for fun and hilarious clowning workshops!

#### Clown Town (Ages 8-12):

Play classic clown games and learn to capture an audience.

#### Send in the Clowns (Ages 5-7):

Turn playground games into silly performances and discover new ways to be hilarious on stage.

### Crafternoon

Drop in for hands-on crafting and make your own zine—a mini DIY magazine filled with drawings, stories, and collages. Not into zines? Use our craft supplies to create whatever inspires you. Ages 5+.

### Design It Yourself!

#### Totes (& Tees) Stenciling

Get creative designing a library tote (provided) and BYO t-shirt to complete the look; and then showcase your fashion creations. The top design will be printed on a limited-edition library bag! Ages 6+

#### Frogs & Habitats: Build a Frog Diorama

(with Merri Creek Management Committee) A fun, hands-on workshop where kids learn about local frogs and build their own mini frog habitat to take home! Ages 5+

#### Lego Lounge

Drop into Fitzroy Library on Tuesday afternoons for LEGO Lounge. Build, create, and try fun challenges with our mega LEGO supplies. Ages 5+.

#### Native Botanical Art Workshop

Explore the wonder of Australian native plants in a hands-on workshop with Rachel Gyan, illustrator of Plantastic!: A-Z of Australian Plants. A mindful art activity connecting children to nature and creativity. Ages 7+.

#### Robotics and Coding Workshop

Step into the world of robotics these holidays! Using mBot robots and iPads, try block-based coding challenges like building a self-driving car or dancing robot. A fun hands-on intro to coding and STEM from Museum Victoria. Ages 8+.

#### Sun Bracelets and Bandanas

Join us these school holidays for a creative, eco-friendly craft workshop! Make a cyanotype bandana using sunlight and found objects, and a UV bead bracelet that changes colour in the sun. Ages 7+

#### Yoga

Relax and unwind with Yoga at the library. Through playful activities and props, children learn techniques that support their physical, emotional, and mental wellbeing. 2 sessions: Ages 5-7 & Ages 7-10.
