

THIS STATE ELECTION
NOVEMBER 2026

YARRA DECIDES

Release unused State government land at 2 River Street, Richmond!

Richmond needs more open space and kindergarten places.

Release it to the community – it's the right thing to do!

LET'S SPEAK UP FOR YARRA

Richmond has limited open space, a shortfall in kindergarten places, and is growing quickly. The Victorian Government owns land that has been sitting idle for over 5 years!

2 River Street, Richmond can provide the community with 44 more kindergarten places and a large park with wonderful facilities.

This is a once-in-a-generation opportunity to demonstrate how density and liveability can coexist for the good of the community.

Add your voice! Reach out to candidates and decision makers. Release the land for community use!
