LET'S SPEAK UP FOR YARRA

Join our Mayor and Councillors at Annette's Place, Richmond for some food and some fun on Saturday 2 May.

The Victorian election is a little over 6 months away. Council wants candidates to commit to delivering what our City needs.

That's why we're launching **Yarra Decides** -

- come and hear Council's key asks for the City in the lead up to the election
- find out how you can get involved and advocate for what matters to you

Together, let's make sure that our local candidates know what's important. And what we expect of them.

There's strength in numbers – add your voice!
