Purpose of Councillor Workshops

Councillor Workshops support Councillors to fulfil their legislative obligation to “diligently use Council processes to become informed about matters which are subject to Council decisions.”

Councillor Workshops are an opportunity for the presentation of information to Councillors, responding to questions they might have and the provision of professional development and training.

Councillor Workshops cannot be used to make decisions, negotiate agreed positions or otherwise canvass, lobby or seek to influence the outcome of a decision to be made by an officer under delegation or by Council at a future meeting.

Councillor Workshop confidentiality is important. It encourages open and frank discussion, helps facilitate the development of vision and the implementation of an effective strategy to achieve that vision, and protects information that is confidential, personal, or relates to employment, commercial or legal matters.
