

Community Food Guide

Community Meals and Food Education

The Community Food Guide is a resource to help anyone in the community find accessible, affordable, and fresh food in the City of Yarra.

The Community Food Guide provides information on where to find community food programs and services, when you can go to these programs and services, and what you will find at these services and programs.

This information is broken down into four categories:

- Food Relief
- Community Meals & Food Education
- Markets & Fresh Produce
- Community Gardens.

This document has information on Community Meals and Food Education, please turn over.
