

Aussie Wildlife Wonders

Get up close and personal with some of Australia's fascinating native animals, including snakes, lizards, a crocodile, and even some cute marsupials! This hands-on wildlife session explores native wildlife, their ecosystems, and conservation through a fun and interactive presentation. Ages 5+

Arduino Workshop with Robogals

Ready to code? Using an Arduino microcontroller and Scratch 4 Arduino, you'll complete a series of fun, hands-on programming challenges, including making LED lights flash and come to life! Ages 9+

Building Solar Cars

Spring is here, as is the sunshine! Build your very own solar-powered car and watch it zoom along using energy from the sun. Discover how sunlight can be transformed into power as you create, test, and race your car! A fun way to explore renewable energy! Ages 7+

Clay Creations

Spin, squish, and sculpt! Have a turn on a mini pottery wheel and make your own clay coaster to decorate and take home. A fun, hands-on pottery session! Ages 5+

Crafternoon

Drop in for an afternoon of creative collage-making and take home your own unique artwork. Or bring your own crafty idea—we'll have plenty of supplies so everyone can create whatever inspires them. Ages 5+

Learn to Fly Storytelling Workshops

Join award-winning children's author Angie Cui for Learn to Fly, an interactive storytelling workshop. Children create flying characters and imaginative stories using simple drawing and creative prompts. Ages 5+

LEGO Lounge

Build fantastic creations using the library's mega-LEGO supplies! Drop in anytime from 2-4pm to build, create, and discover with LEGO. Try one of our fun challenges or get creative with your own design! Ages 5+

Magic Beach Movie Screening (G)

Join us for a special screening of *Magic Beach*, adapted from Alison Lester's award-winning picture book. Follow nine children and their dog as imagination comes to life in this enchanting blend of live action and animation. Ages 6+

Mini Zine Workshop

Join Tegan and Erin for this hands on workshop, where you'll learn zine techniques to make your very own mini-comic to take home! Ages 8+

Science Fun Lab Workshop

Step into a world of fun, colourful and chaotic science! Mix chemicals to make a colourful, fizzy mess, observe the biggest, foamiest elephant's toothpaste and experience a tasty chemical reaction on your tongue! Science fun lab is ideal for all ages! Ages 6+

Seed Balls and Paper Workshops

Join us for this sustainable, creative workshop with artist Emma Grace. Make and decorate seed paper gift cards that can be planted in the garden or sprouted indoors, plus create seed balls for guerrilla gardening. All materials provided. Ages 5+

Spring Family Storytime

Join us for Spring-themed stories, songs and rhymes inspired by the colours of the season, followed by a simple craft activity. Family-friendly. Ages 0-5.
