

Notice of works

ROW708 Reconstruction Works – Richmond

We will be carrying out works in your neighbourhood soon and would like to share some important information.

Who will do the Works?

Works will be carried out by Council contractor – Kaizen Civil P/L.

What are we doing?

- Excavation and removal of existing laneway materials.
- Reconstruction of the laneway with asphalt flanks and central bluestone channel.
- Property entrance maintenance works as required.
- Associated road pavement reinstatement works.

When will the work take place?

The works are scheduled to commence on Wednesday 4 November 2026.

Works are expected to take about 3 weeks to complete, subject to weather conditions.

Working hours

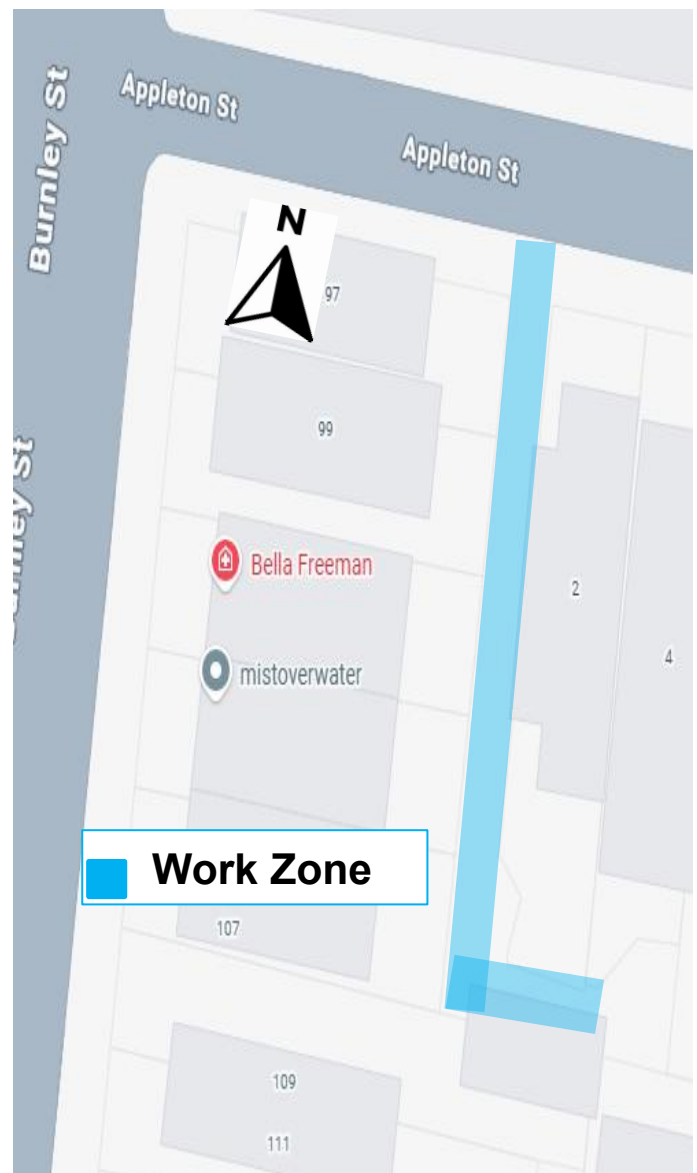

7am to 6pm during weekdays.

9am to 3pm on Saturdays (if required).

There may be some noise and dust during the works, but we will try to keep this to a minimum.

Where are the works happening?

The works are happening along ROW708, abutting 2 Appleton Street, Richmond as shown on the map.

Notice of works

Will I be able to access the street?

Pedestrian access along the laneway may be available during working hours with some restrictions.

Works will be carried out in sections to minimize inconvenience. An appropriate traffic management plan will be in place during the works.

Vehicle access will not be available while the laneway is being reconstructed.

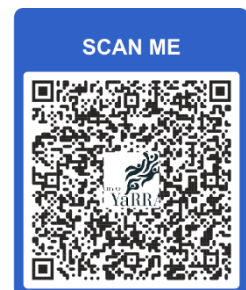

Please consult with the listed contractor if you require assistance with access.

Where do I park my car?

Street parking will be available during the working hours outside of the street section under reconstruction and appropriate signs will be displayed. Some on-street parking spaces will be used for the storage of materials and equipment. These areas will be properly barricaded and progressively emptied as works move along.

If you require a temporary permit during the period of works, please follow the below instructions;

1. Scan the QR Code and complete the online form including your address and phone number
2. Please also include vehicle registration number, make and model.
3. Attach a copy of this notice.

Please note: If you are unable to access the online request form you can visit Council offices and provide the above information, however, the permit will take up to 5 business days to be processed. If you require any further assistance, please call us on 9205 5555.
